Letter No: P+A/Bang. 15-2242, d 22nd April 1926 from the Pay Accounts Officer, Bangalore.

The D.S.P. may be asked to supply the Pay & Accounts Officer, Bangalore with a copy of the Station Police Orders corrected up to date. It is not clear what is meant by "copies of all orders of general interest". All orders relating to financial matters are now sent to the Pay and Accounts Officer, Bangalore. Perhaps he wants also copies of orders other than financial matters which are of general interest. Copies of these orders if and when issued will be sent. Draft submitted for approval.

The G. of I. sanctioned the proposal to permit Indian ex-soldiers who enlisted in police service to count their military service towards incremental increase in pay granted to constables after 5, 10 and 17 years' service.

It is stated that the Madras Govt. have modified their order at Sl. 134/a.

If approved, it may be similarly modified in the station. Such a modification, which restricts the concession, does not seem to require a reference to G. of I.

Sir,

The diet rate of prisoners in Police custody originally stood at 0-1-6 per meal and it was increased to 0-2-0 per meal vide Secretary to the Resident's No. 7307 dated 21-8-1920.

In practice, it was found impossible to feed European and Anglo-Indian prisoners on this rate and the same was therefore revised under Secretary to the Resident's No.7641/424 dated 22-9-24, according to which the dietary charges were fixed at 8 annas per day in the case of European and Anglo Indian prisoners while the rate for Indian prisoners continued to be annas two per meal.

When, however, prisoners are escorted to the Bombay or Madras Presidency by rail, this rate is found insufficient; it is quite impossible to feed an European prisoner at a cost of 8 annas a day or an Indian at 2 annas a meal when the food has to be purchased en route from Railway refreshment rooms. I therefore addressed the Commissioner of Police, Madras, in June this year for information regarding the rates allowed there (1) for an European prisoner (2) for an Indian prisoner, when escorted on a long Railway journey extending over 12 hours. He referred me to the Superintendent of the Madras Penitentiary saying that the latter invariably provides the escort party with food for prisoners taken out of the jail.

I thereupon requested the Superintendent, Madras Penetentiary to let me know the scale of subsistence allowance: he states that annas 12 per diem is allowed in the case of Europeans and Eurasians and annas 6 in the case of Indians and has quoted Rule 464 (3) II Jail Manual as authority for the same.

I propose that 1 rupee per diem in the case of Indian prisoners and Re. 1/8/- in the case of European and Anglo Indian prisoners may be fixed as dietary charges and the food to be given will be as follows:-

European prisoner:-

Morning	- tea, bread & butter	..: 0/8/0	These are taken from M.S.M.Ry. regulation for 2nd class refreshments.
Mid-day	- One plate cold meat - : and-bread	...0/8/0	
Night	- one plate hot side dish and bread	...0/8/0	

Indian prisoner:-

Morning	- tea and ½ loaf bread	.. 0/4/0
Mid-day	- plate curry and rice	.. 0/6/0
Night	- -do-	... 0/6/0

I only ask for an enhancement of the rates when prisoners are taken on Railway journeys of more than 12 hours duration. The above feeding scale is absolutely the cheapest that can be given without starving a prisoner. I do not think that, in Madras, they experience the same difficulty which we do in C & M Station. Madras provides permanent accommodation for its own prisoners, whereas ours in many cases have to be taken to Bombay and Madras.

DISTRICT SUPDT. OF POLICE.

DS. No. 3237/26 — 5/8/26

Forwarded.

I recommend District Superintendent of Police's proposals. The above rates will not apply to journeys to Madras. Cases

occasionally arise when prisoners have to be sent to distant. places such as Bombay (vide list of a few of such cases) and the rates proposed are intended to apply only to them.

SIR,

In reply to your endorsement No.7851/424-1900 dated 10th Septr. 1926, forwarding for remarks the letters of the District Magistrate as well as of the District Superintendent of Police on the question of increase of dieting charges of prisoners when escorted to long distances, I have the honour to state that there is no accounts objection to the proposals of the District Superintendent of Police as recommended by the District Magistrate being sanctioned by the Hon'ble the Resident. The desirability of introducing the Madras rates may kindly be considered unless the Hon'ble the Resident is satisfied that the allowance of 0-12-0 per diem in the case of Europeans and Eurasians and 0-6-0 in the case of Indians granted in the Madras Presidency is meagre. The allowances recommended appear to be highly excessive.

Sir,

S. 275 Ref:- Resident's proceedings No.6279 dated 22-7-26.

The following case has arisen and as I hold one view and my Manager and the Pay & Account Office hold another I refer the matter to you for orders.

Police constable 276 served in the Army from 12-9-16 to 9-7-20; of this period he spent from 11-1-18 to 18-11-18 in combatant service in Mesopotamia and from 20-5-19 to 3-5-20 in combatant service on the Frontier. He enlisted in the Police on 15-7-20. According to the rules then in force he was permitted to count the whole of his Army service (3 years 9 months 27 days) towards increment; he was therefore awarded his first increment on 1-10-21 i.e. after 1 year 3 months, Police service and 3 years 9 months Army service. His second increment according to this calculation was due on 1-10-26, but he had an interruption- 3 months reduction - hence he was not entitled to increment till 1-1-27. The view taken by Manager and Pay & Account office is that the Resident's notification above bars the counting towards increment of the whole of the man's Army service excepting the 10 months combatant service spent in Mesopotamia i.e. that the man is not entitled to his second increment for another 2 years 11 months. I hold that, as the man had already been granted one increment under the old rules (on 1-10-21), para 1 of the Resident's notification does not affect his case; that his case falls under para 2 and that therefore he - and all other men in

in similar case - are entitled to increments under the rules in force at the time they enlisted.

Sir,

I have the honour to forward herewith a copy of the - reply of the District Superintendent of Police to the objection raised by Audit Officer re question of allowing an under trial prisoner to travel by rail in a class higher than the lowest together with the further remarks by this office, and to state that the Audit Officer, Bangalore, has asked me to get the question decided now by reference to the Hon'ble the Resident. I request you therefore to kindly obtain and - communicate the orders of the Hon'ble the Resident whether the practice as stated by the District Superintendent of Police may be allowed to continue. Cases in which II class fare is allowed are rare, only two such cases having occurred during the last two years(August'25 & December'26). There are no rules prohibiting the concession being given to respectable undertrial prisoners and it seems that the existing practice may be allowed subject to the general condition that the concession should not be abused and should be given only in ~~exceptional~~ deserving cases.

Reply of the District Superintendent of Police.

There are no rules so far as this office is aware to the effect that under trial prisoners should not be taken - except in the lowest class. It has been the practice to take European and respectable Indian under trial prisoners in the second class. If there be any orders contrary to this practice they may be kindly sent for future guidance.

Further remarks of the Pay and Accounts Officer.

This office also is not aware of any rules prohibiting allowing second class to prisoners/ In exceptional cases, no objection need perhaps be taken to a prisoner travelling in a higher class. But when the practice - becomes general indicating that proper discretion is not exercised in choosing the class in which a prisoner - travels the question may be taken up again if the Audit Officer approves.

REPORT IN ACCORDANCE WITH POLICE ORDER 340 (3).

Sir,

On 22-11-27 a letter was received from the Superintendent, Central Jail, Bangalore, enclosing a copy of a petition dated 17-11-27 from one Muni Marappa, alleging that his uncle Muniswamappa, one of the accused in B.5 station crime No. 145/698, Section 302 I.P.C., had been tortured by the Civil and Military Station Police with a view to obtain a confession.

I forwarded this to the District Magistrate, asking that the allegation might be enquired into by a Magistrate. The papers were returned on 28-11-27 drawing my attention to the Civil and Military Station Police Order 340 para 3 which requires Commissioner to enquire into such complaints. (Note.- In Madras this is not allowed & - I think rightly too, for the parties complaining are never satisfied by the enquiry of a superior to the subordinates complained against. I have proposed an alteration in the new draft Police Orders). On receipt of District Magistrate's note, I collected the documentary evidence available and on 3-12-27 I went to the Central Jail and examined the Jail Superintendent and the Sub Assistant Surgeon of the Jail. On 4-12-27 I examined the man Muniswamappa who is alleged to have been tortured; I then wrote to the Munsiff Magistrate, before whom Muniswamappa was produced for remand, for a statement as to whether Muniswamappa had

d made any complaint to him. I then went on casual leave for days, returning on 11-12-27. The Munsiff Magistrate's reply, received in my absence, completes the enquiry and ~~that~~ the above explains delay in submission of the report.

3) Muniswamappa - who is said to have been tortured - says that he was beaten by the Police in B.5 station on the day on which he was arrested. No one witnessed this except the Police. When - first produced before the Munsiff Magistrate, he (Muniswamappa) made no complaint to the Magistrate of having been beaten - because the Magistrate did not ask him if he had been beaten. He was remanded to Police custody for two days and was not beaten then. When again produced before the Munsiff Magistrate and remanded to Jail he made no complaint. On arrival at Jail he made no complaint to the Jail Superintendent, but complained to both doctors who -- examined and dressed his wounds. While under remand in Jail he was kept in a separate cell (he was being taken as an approver) and was visited by Jail Superintendent every day, but made no complaint. His nephew Muni Marappa (the writer of the petition) used to bring his food and was allowed to talk to him at a distance. He did not at once tell Muni Marappa about his having been beaten by the Police but did so about the third time he came, because it was only then he felt pain. The resident Sub Assistant Surgeon of the jail says that Muniswamappa complained to him of injuries caused by Police directly he was brought to the jail. He saw the injuries but made no report to the Jail Superintendent. The Senior Medical officer only examined Muniswamappa after a requisition was received from Jail Superintendent to do so. The injuries were contused abrasions caused by blows from sticks.

4) The Senior Medical officer was not examined as his evidence could only ~~be regarding~~ have reference to what he observed after receiving orders from Jail Superintendent to examine the man. The Jail Superintendent says that Muniswamappa made no complaint to him at any time. On receipt of the petition he had the man examined by the Senior Medical officer and then informed me. He further says that any complaint of such a --

a nature made by a prisoner to a Jail subordinate must have been reported to him at once.

(5) I have not examined the Police - the man says he was beaten by an Inspector wearing spectacles, a Mussulman policeman who wears long hair and by two others. In view of what I have written below I did not consider it necessary to go on with the enquiry.

(6) This man Muniswamappa was examined by the Police on 11-11-27, when he made a full confessional statement giving a very detailed history of the whole crime and, when taken to the spot where the body was found, repeating the statement and pointing out every spot mentioned by him. He and the other four accused implicated by him were then arrested and were put up before the Munsiff Magistrate next day for remand to Police custody for two days. At the time I asked why Muniswamappa's confessional statement was not recorded at once by the Munsiff Magistrate, and the reply was that the man had been remanded to Police custody for further verification of his story. On 14-11-27 when the accused's remand expired the Magistrate was asked to record his statement and Muniswamappa -- refused to give it. The other accused obviously got at him in those two days. No complaint was ever made to the Magistrate by Muniswamappa, nor by any of the accused, that the Police had tortured any of them. Nor was any complaint made to the Jail Superintendent. The sole complaint alleged to have been made was to the resident Sub Assistant Surgeon of the jail and I do not believe that any such complaint was ever made. Had it been made, the Sub Assistant Surgeon must have reported it to Jail Superintendent - which was not done. Further Muniswamappa would have told his nephew about it when he first saw him. He says he was beaten on the 11th and he went to jail on the 14th; he says he told his nephew about 3 days after that i.e. on 17th (date of petition) because he only felt pain then. The injuries are said to have consisted of contused abrasions - such injuries do not start hurting 6 days after they are caused. The injuries, or traces of same, which he showed me were two burnt scars obviously intentionally caused a long while ago for medicinal purposes. I consider that the whole story is a tissue of lies fabricated by friends of the accused to discredit any possible result of --

of Muniswamappa's confession to the Police - which latter is, ofcourse, valueless.

Sir,

Please refer to Station Police Order No.338 (a). Will you kindly let me know whether the order of the Commissioner of Police or of a Magistrate referred to therein is necessary in cases of criminal prosecutions against Police officers by the public or whether it refers only to prosecutions launched departmentally against police officers?

COMMISSIONER OF POLICE.

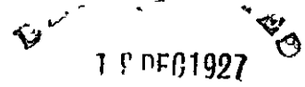
Forwarded.

I do not think the Station Police Orders can take away from the public the rights to prosecute conferred by the Criminal - law. The order must be held to apply to Departmental Prosecutions only. Provisions such as section 197, Crl. P. C. will of course operate of themselves in cases to which they apply.



Dated, the 17th. Dec. 27.

Reference ~~my~~ your ~~letter~~ telegram No. 1116/process dated the 14th December, 1927.

Subject.

PROSECUTIONS OF POLICE OFFICERS.

The section of the Code of Criminal Procedure applicable is section 197. If the police officer - - concerned is removeable from his office with the sanction of the Local Government only, the sanction of the Local Government should be obtained whether the prosecution is launched departmentally or at the instance of private individuals. It appears from Madras Police Order 217 that the Government of Madras have delegated the power to convey this sanction, in the case of Inspectors, to the Inspector General of Police and District Magistrates.

2. It also appears from Madras Police Order 219, that in the case of Police officers, who are not protected by section 197 of the Code of Criminal Procedure, previous sanction of the District Superintendent of Police is necessary if the prosecution is launched departmentally, but that this does not affect the right of the Magistracy or of private individuals to initiate such proceedings,

which

which may, it seems, be taken to mean that, so far as the public are concerned, the sole criterion is whether the public servant is removeable or not by the Local Government.
